Get ready for your game.

### Atec Sportsnet II

70 sq. ft. of target area makes this product useful for a number of sports. Rugged polyester net is treated for long wear and UV resistance. Built-in training target. Fiberglass, shock-corded frame poles with easy to use ring & pin assembly. Built-in ball restraint makes collection quick and easy. Sets up and breaks down quickly and easily. 'Tent Technology' used in design and construction for professional quality and durability.

**AT-AT4890 | \$129.99**

**ATEC Pitcher's Practice Screen w/ Stand**  
52" x 60" screen with patented drop-pocket ball collection for ALL pitches that hit target. High-visibility target with six zones within the strike target for further accuracy. Also doubles as a backstop for hitters, helping with strike zone discipline. Heavy-duty nylon tarpaulin is double-stitched and seamed. High-strength grommets for easy and stable hanging. Rugged 1 1/4" steel stand with powder-coat finish. Two steel shock-corded support rods included with each screen.
