Atec Casey Pro Softball 110V

AT-AT0982 | \$2,399.99

ATEC Casey 2 Pitching Machine

This solid performer is a workhorse! Converts in less than one minute from baseball to softball and vice versa. With over 7 throws per minute, hundreds of liners, grounders, pop-ups and flies can be executed in under one hour! Easily transports with built in handle and light machine weight. Variable speed control allows pitches from a slow lob to fastballs.

AT-AT0541 | \$1,599.99

ATEC Axis 110v Pitching Machine

Full arsenal of breaking balls including curves, sliders and forkballs. Softball model throws drops, risers and curves with consistency and accuracy. ATEC® patented Center-of-Gravity design allows for quick, accurate pitch selection. Also throws fly balls, pop-ups, grounders and line drives for defensive drills. LCD Digital Readout control for improved accuracy and consistency. Throws accurate pitches at speeds up to 70 mph for BB, 65 mph for SB.

AT-AT2001 | \$1,899.99 Baseball

AT-AT2002 | \$1899.99 Softball
